## Brief Resume

- Business Chief Executive for the last 15years in: Healthcare, Finance
- Management, Manufacturing, Agriculture and Construction
- Has five highly functional and financially successful business brands
- Has a total of 384 Nigerian employees
- Have successfully negotiated and secured partnerships with major international investors and clients from UK, Canada, Germany, India, Pakistan and Bangladesh
- A poster-child of the vibrant class of Nigeria's under40's  
Substantially engaged in philanthropic activities targeted at the less privileged across the federation.
- Recently, after Master's degrees in Business Administration and in Procurement Management, developed great passion for Public Business Development to drive local and national growth
- As a contractor to several government agencies and outfits, have studied their core functions and responsibilities; and, found viable lasting business solutions to their major cash-flow and profitability challenges.
- Currently, desirous to venture into public enterprise to make an indelible mark
- Forted with an arsenal of sound ideas and practical business success skills. Persuaded that Nigeria's workforce, (tapped or untapped) constitute the nation's strongest resource-base; given the youth preponderance of its demography
- Poised, when given the opportunity of public stewardship, to hardwire the workforce with business success skills that'll reconfigure government business for optimal profitability.
